

This is my final message to all MOZARK/MOAA: members, spouses, and surviving spouses.

I consider it an honor, and a privilege to have served you these past five years as: 2nd. V-Pres., 1st. V-Pres, and Pres.

I, and Barb. too, consider all of you as good friends.

I want to thank my MOZARK board this past year, who joined me in a concerted effort to find new members. From a list that we got from MOAA national, we phoned, mailed, e-mailed, and were able to garner six new members. I will introduce them at our May 21 meeting. The board members who helped me in garnering new members were: Frank Baker, Paul Goodspeed, Winsor Morrison, John Rousset, and John Hathcock. John Rousset even knocked on a few doors.

I also want to thank John Rousset, Paul Vicalvi, and Jeff Long, who did a tremendous job in their key positions.

I hope you can make our last luncheon, Sat. May 21 at Pirates Harbor in Stormy Point, from 1130-1330 hrs. Buffet: \$20 Speaker; Jeff Bourk: Mgr. of the Branson Airport Also, we will have the swearing in of new officers.

Our picnic will be at Stonebridge, same location as last year, June 11. Good, clear directions will be in the June MOAA/GRAM. I want to thank Jack Henderson, for providing those to me.

Please hold a prayerful thought for: Don Johnston, Laverne Baker, and Don Bishop.

I hope to see you all on May 21

Sincerely,

Dave Porter, Pres.
