November 2015  
President's Message

To all MOAA members & auxiliary members:

As you all know by now, we have a new home for the presentation of: The True American Hero award/TAH, at College of the Ozarks.

We are very grateful that they have been so accommodating to us.

Below are all the details. I am handling all of the arrangements, since I know all the contacts, and John Rousselot our V-Pres. agrees with that decision.

First: We will eat lunch in the main Dobbins Dining room from 1200 to 1345 hrs. Again; Thursday, Nov. 12. Why Thurs.? because we needed an audience in an auditorium, and there is a play: "Railway to Heaven" performing from 1400 to 1530 hrs. that day. We will be presenting the TAH award, 15 min. before the play. The play is a true story of a School of the Ozarks student who was at Normandy, captured by the Nazis, and was in a concentration camp.

We are in the main dining room for lunch, because the private dining rooms were all booked at the Keeter. The Dobbins is open to the public, but to accommodate us, they are setting aside two large tables seating 14 each. At one table we will have Dr. Mullinax (Patriotic Educ. Dean) and the recipient & wife. So specifically, we have seating for 25 MOAA members remaining.

I need to know by Nov. 1<sup>st</sup>. if you would like to join us for lunch, attend the 15 min. ceremony for the TAH award, and have a reserve seat for the play, which is free.

Lastly, Chantili DeLong, the Mgr., is providing a special lunch menu for us, which is very reasonably priced, and we don't have to pay sales tax. Also, you will each pay the server for your own meal.

If you have any questions call me at 417-335-5708

Again, I need to know by phone or e-mail by Nov. 1<sup>st</sup>. if you would like to come.

Regards,

Dave Porter, Pres.
